

Easy Recite Arabic (ERA) TRANSLITERATION Easy Read & Easy Teach Instant NAZRA Quran

ERA Ressolved & Dissolved all WAQOOF Signs

Many readers are touchy about the number and variety of Arabic *WAQOOF* signs and their assignments, either as a single or in combinations of 2-3 signs in Arabic scripts. Also, they are uncomfortable to remember their names, functions, interpretations and the ultimately required *NAZRA* recitation, at all locations.

They were also unhappy about the effects of each *WAQF* sign on previous 1-2 letters in Arabic scripts. The modern, comfort-oriented, ease-loving readers liked to save these duties about *WAQF* signs, to find many changes on previous 1-2 letters, before their *NAZRA* Quran.

Actually, they very much desired and prayed to read / recite, What was shown to them **And NOT** What was not shown to them.

Fortunately, ERA Transliteration decoded all *WAQF* signs at all locations and found their ultimate effects on preceding 1-2 letters.

Then, ERA Transliteration displayed 'Ultimate Effects' on all affected letters and diacritics, through suitable colours.

ERA Transliteration enables all readers to "Recite exactly what is shown to them in Black and Green and ignore all the White colors."

With ERA Transliteration, all readers are totally free from Arabic *WAQOOF* signs and their difficult irrational execution during the past.

All thanks to ERA Transliteration, which eliminated all hurdles of *WAQOOF* signs and instead provided a faster and safer READ-way, Surprisingly Simple Script for *NAZRA* Quran.
