

'Fatha Tanween' proposes 5 commands each time.
ERA Transliteration chooses 1 right-way for all, each time.

PAST: A 'Fatha Tanween' ordered a reader to decide one right **command** out of 5 commands before one is carried out.

ERA decides and displays each of the 5 commands as required, by color-coding each command as under:

- 1) Both Black 2) One Black Other Hollow 3) Both Hollow 4) One Green Other Hollow 5) Both Green.
